• IMPORTANT: Please attach a Freight Label to your shipments.

• All shipments must be prepaid. Collect shipments will not be accepted; they will be refused.

• If you use a third party shipper, please forward them a freight label. It is very important to label your boxes due to the number of career fairs going on at the University of Texas for that week.

• All freight must be received no later than September 6th, 2019.
• The University of Texas has prepaid for the freight handling charges. **However, The University of Texas does not pay for the shipping costs to and from the show.** The prepaid freight handling service includes:
  1. Freight delivered to booth on either September 10th or 11th depending on your designated day.
  2. Empty crates removed and stored. Empty labels will be available at the Lone Star Decorating service desk. Be sure that all material is removed from the crates before labeling them as empty.
  3. Empty crates delivered back to booth at the end of show.
  4. Outgoing freight placed on designated carrier. Exhibitor must bring the outgoing freight to the Lone Star Decorating service desk and check it in.
**Lone Star Decorating is not responsible for loose freight. All shipments must be boxed or crated.**

• **Outgoing Freight Services:** Lone Star Decorating is requiring all exhibitors to check-in their outgoing shipments at their service desk which will be located at the loading dock at the top of the ramp. Do not simply drop off your outgoing freight in the area—items tend to be misplaced when not properly checked in. For outgoing freight services, you must have outgoing labels and make prior arrangements with your carrier (UPS, FedEx, etc.) to pick up your material from the Frank Erwin Center between the hours of 5:00pm – 7:00pm. Your carrier must know which date to pick up, whether it is Tuesday or Wednesday. UPS & FedEx require a 24-hour notice. All material must be completely cleared from the building by 8:00pm on Tuesday, September 10th and/or Wednesday September 11th.

• **The address for the Frank Erwin Center is as follows:**
  Frank Erwin Center
  1701 Red River Street
  Austin, TX 78701

Lone Star Decorating will not be responsible for delay of rush shipments, which will be expedited to the best of their ability. Lone Star Decorating will not be responsible for conditions, count, or content until such time as exhibit or materials are picked up for removal after the close of the exhibition.
